Dear Branch Officer:

We need 100,000 youth in the NAACP!

For several years the Association has had a Youth Division and it has been increasing in growth and becoming more militant and aggressive in activities. For your information, we are enclosing a copy of the plans as drawn up by the Youth Division in a meeting of the National Planning and Advisory Committee held February 15-16, 1947. Refer this to your committee on youth councils and junior work and urge them to get busy and see that the program of the Youth Division is carried out in your community.

IMPORTANT! - If you do not have Youth Council, now is the time to start one. Select the outstanding young people in your schools, churches, social groups, recreation centers and other places of community activity. Call them together and ask to to form a Youth Council of the NAACP. Write to the Youth Director, Mrs. Ruby Hurley, NAACP, 20 West 40th Street, New York 18, New York, for additional information on formation of Youth Councils and College Chapters.

LET'S BUILD THE YOUTH!

Sincerely yours

Gloster B. Current
