Dear Co-Workers:

On April 12 we mailed copies of the enclosed letter to candidates running for Congress and important state offices, subject to the Democratic Primaries in May. Favorable replies have been received from several candidates. We have gotten in touch with others through personal contact.

On April 20 the Board of Directors of the Progressive Voters' League met in Orlando to consider the records of various candidates. After careful deliberation, the Board voted to recommend the following candidates:

1. For United States Senator Spessard Holland
2. Representative in Congress:
First District Herbert Wentworth
Second District Mrs. C. L. Genco
Third District Carl R. Gray
Fourth District George A. Smatic
Fifth District Thomas S. Voss
Sixth District Dwight L. Rogers
3. For Justice Supreme Court
Group Two Paul D. Barns
4. For Railroad Commissioner
Group Two Carl E. Taylor

The most difficult decision for the Board to make was the choice of a candidate for U. S. Senator. Many members of the Board expressed the opinion that Mrs. Polly R. Balfe was the most liberal of the four candidates. However, it was the general opinion of the Board that the real race would probably be between Holland and Green. Since Lex Green has publicly announced his intention to "champion the cause of the White Democratic Primary and of the noble traditions of the white South", the Board voted to endorse the candidacy of Holland.

We suggest that you consider carefully the records of your local candidates and make recommendations to your voters on the basis of such records.

Sincerely yours,

Harry T. Moore

Dear Mr. Moore:

I have reserved a room for you at the Hotel Theresa at 125th Street and Seventh Avenue, New York City, beginning Monday, September 27th.
