

National Human Trafficking Resource Center (NHTRC) Data Breakdown *Florida State Report*

January 1st, 2011 to December 31st, 2011

This report covers National Human Trafficking Resource Center (NHTRC) case and call data from January 1, 2011 to December 31, 2011. A case refers to a specific report or request that originated as a call to the NHTRC hotline. Each case may have multiple hotline calls and/or multiple callers associated with it.

Part I of this report presents data from hotline calls received from callers in Florida.

Part II focuses on data from cases that reference human trafficking in Florida. These include cases generated from calls received from callers outside of Florida.

Part II: Cases Referencing Human Trafficking in Florida

Number of Cases that Reference Potential Trafficking Situations in Florida: 152

Each hotline case is evaluated for evidence of potential trafficking, and is categorized as YES, NO, or UNKNOWN. Cases categorized as "YES" contain a high level of critical information and demonstrate key indicators relevant to identifying a human trafficking situation. Cases categorized as "UNKNOWN" reference situations that contain several indicators and red flags of potential trafficking situations, or resemble common types of trafficking or trafficking scenarios but lack certain core details of force, fraud, or coercion.

	Number of Cases
Yes	60
Unknown	92
Grand Total	152

Cases that Reference Potential Minors:

	Number of Cases
Yes	49
No	103
Grand Total	152

Note: This variable does not necessarily indicate that the minors described have experienced human trafficking but rather that the case is referencing minors in some context. This could include general information cases, technical assistance requests, or referrals related to minors as well as tips and crisis-oriented cases. This could also include cases where potential minors and adults are both identified.

The following data is derived from cases referencing trafficking in Florida and categorized as "YES."

Case Category:

	Number of Cases
RED- Crisis	6
GREEN- Tips	29
BLUE- Training and TA	4
PURPLE- Referral	19
YELLOW- General Info	2
Grand Total	60

Note: The data displayed in this report was generated based on limited criteria from calls received by the National Human Trafficking Resource Center hotline. This is not a comprehensive report on the scale or scope of human trafficking within the state. These statistics may be subject to change.
