## LEGISLATIVE UPDATES

---

A major focus of Attorney General McCollum’s administration is the safety of our children. The Legislature also recognized the dangers children face, especially with readily available online access to social networking aspects of the internet. Effective October 1, 2008, Chapter 2008-172, Laws of Florida (see Committee Substitute for Senate Bill 1442), reflects the commitment to providing services and protection for this victim population. Statutory revisions include expansion of the definition of “crime,” definition of “identified victim of child pornography” and “victim” and creation of specific assistance to victims of online sexual exploitation and child pornography. The following excerpts relate specifically to online sexual exploitation and child pornography and victim compensation.

960.03 Definitions; ss. 960.01-960.28.--As used in ss. 960.01-960.28, unless the context otherwise requires, the term:

(3) "Crime" means:

(d) Any violation of s. 827.071, s. 847.0135, s. 847.0137, or s. 847.0138, related to online sexual exploitation and child pornography.

(10) "Identified victim of child pornography" means any person who, while under the age of 18, is depicted in any image or movie of child pornography and who is identified through a report generated by a law enforcement agency and provided to the National Center for Missing and Exploited Children's Child Victim Identification Program.

(14) "Victim" means:

(a) A person who suffers personal physical injury or death as a direct result of a crime;

(b) A person younger than 18 years of age who was present at the scene of a crime, saw or heard the crime, and suffered a psychiatric or psychological injury because of the crime, but who was not physically injured; or

(c) A person against whom a forcible felony was committed and who suffers a psychiatric or psychological injury as a direct result of that crime but who does not otherwise sustain a personal physical injury or death.

960.197 Assistance to victims of online sexual exploitation and child pornography.--

(1) Notwithstanding the criteria set forth in s. 960.13 for crime victim compensation awards, the department may award compensation for counseling and other mental health services to treat psychological injury or trauma to:

(a) A child younger than 18 years of age who suffers psychiatric or psychological injury as a direct result of online sexual exploitation under any provision of s. 827.071, s. 847.0135, s. 847.0137, or s. 847.0138, and who does not otherwise sustain a personal injury or death; or

(b) Any person who, while younger than age 18, was depicted in any image or movie, regardless of length, of child pornography as defined in s. 847.001, who has been identified by a law enforcement agency or the National Center for Missing and Exploited Children as an identified victim of child pornography, who suffers psychiatric or psychological injury as a direct result of the crime, and who does not otherwise sustain a personal injury or death.

(2) Compensation under this section is not contingent upon pursuit of a criminal investigation or prosecution.

Other legislation affecting the division includes Chapter 2008-130, Laws of Florida (see Committee Substitute for House Bill 1395), (effective July 1, 2008) relating to the Council on the Social Status of Black Men and Boys. Staffing for the Council is provided by the Bureau of Criminal Justice Programs. The short summary for this legislation includes the following language:

Providing additional duties and powers of the council; removing certain duties of the Attorney General; removing a provision that discontinues the council under certain conditions; creating s. 16.616, F.S.; creating a direct-support organization; specifying duties and requiring a contract; providing contract requirements; providing for appointment of members of the board of directors; requiring the direct-support organization to form strategic partnerships for specified purposes, including in specified counties; requiring certain reports; providing additional duties and powers of the direct-support organization; requiring the direct-support organization to consider the participation of certain other counties; providing an appropriation; providing an effective date.

## PROGRAM FUNDING

---

### Crimes Compensation Trust Fund

---

The Crimes Compensation Trust Fund (CCTF), authorized by §960.21, F.S., receives offender-generated federal and state dollars to provide services to crime victims. Pursuant to §938.03, §938.04, §775.0835, and §775.089, F.S., funding is derived from court-ordered assessments from offenders, including a mandatory court cost, a surcharge on fines, restitution, and subrogation, when appropriate. The federal Victims of Crime Act (VOCA) is administered by the United States Department of Justice, Office of Justice Programs, Office for Victims of Crime. VOCA funds awarded to Florida during FY 2007-2008 totaled \$25,656,000 (\$20,790,000 for assistance grants and \$4,866,000 for victim compensation). Total CCTF receipts and expenditures during FY 2007-2008 were \$55,324,008 and \$60,179,188 respectively. (Source: Cash Receipts and Disbursements Report, State Comptroller's Office)

General categories for receipts include, but are not limited to, grants and donations, fines, forfeitures, judgments, restitution, subrogation, refunds, and warrant cancellations. Expenditure categories include, but are not limited to, awards to claimants, grants, salaries and benefits, risk management, refunds, as well as other administrative and support services costs.

Appendix A provides a breakdown of state collections into the trust fund by source, county and judicial circuit. The primary source of revenue is the mandated \$50 court cost, accounting for 75 percent of the funding received from state (non-federal) sources. Of the \$50, the clerk of the court retains \$1 for administrative purposes and forwards the remaining \$49 for deposit into the CCTF.

### Crime Stoppers Trust Fund

Section 938.06, F.S., imposes an additional surcharge of \$20 on fines for criminal offenses, which is collected by the clerks of the courts to be deposited into the CSTF, with the clerk of the court retaining \$3 as a service charge. Total CSTF receipts and expenditures during FY 2007-2008 were \$4,645,236 and \$4,624,094 respectively. (Source: Cash Receipts and Disbursements Report, State Comptroller's Office)

### Florida Crime Prevention Training Institute (FCPTI) Trust Fund

---

Pursuant to §960.01 through §960.28, F.S., the victim compensation program is administered by the Bureau of Victim Compensation. Various types of claims processed by the bureau include victim compensation, property loss, domestic violence relocation assistance, and sexual assault forensic physical examinations. In addition, the bureau determines eligibility for state institutions claims and administers a toll-free information and referral service for victims of crime.

### Victim Compensation

---

Claims are received from crime victims who seek financial assistance for economic loss (lost wages, loss of support, disability), funeral expenses, domestic violence relocation, property loss, and reimbursement of other out-of-pocket and treatment expenses directly related to a crime injury. Program requirements are set forth in §960.065 through §960.14, F.S. The online [Victim Compensation Brochure](#) and [How to File for Victims Compensation](#) (also in Spanish and Creole) are resources to assist victims in seeking victim compensation benefits. This year's overall claims activities included:

- 21,651 total claims received  
(excludes sexual battery examinations)

### Domestic Violence Relocation Assistance

---

In accordance with §960.198, F.S., this benefit provides financial assistance (up to \$1,500) to victims of domestic violence who are seeking to relocate to a safe environment. Each claim must meet the definition of domestic violence pursuant to §741.28(2), F.S., and requires the certification of a State of Florida certified domestic violence center. This year's activities included:

- 4,970 claims received

### Property Loss

---

Pursuant to §960.195, F.S., this benefit (up to \$500) is provided to elderly persons or disabled adults who suffer a property loss that causes a substantial diminution in their quality of life. This year's activities included:

- 2,204 claims received

### Sexual Battery Examinations

---

Section 960.28, F.S., authorizes the division to pay medical providers up to \$500 for an initial forensic physical examination of victims of alleged sexual offenses. The purpose of these examinations is to gather evidence for prosecution. This year's activities included:

- 5,037 claims received

### Legal Counsel – Appeals

---

The claimant is notified of the division's decision in writing when the claim is determined to be ineligible. The claimant is granted the opportunity to appeal the decision within 60 days of the denial by submitting a petition which meets the requirements of the uniform rules of procedure, pursuant to §120.569 or §120.57, F.S. A Notice of Rights form is included with each denial notice and may act as a petition. The claimant may submit additional evidence with the petition proving eligibility, and based on this new information, the claim may be reconsidered. When a satisfactory petition is received, it is reviewed to determine whether material facts are at issue which would require the evidence to be weighed by an impartial hearing officer in an evidentiary hearing. The claimant is granted an informal hearing and given the opportunity to make an oral presentation to the Division Director when there are no material facts at issue. This year's activities included:

- 253 new appeals
- 243 appeals closed
- 23 final orders issued
- 1 informal hearing
- 5 hearings in circuit court

### Legal Counsel – Subrogation

---

Whenever a person files a claim for victim compensation benefits, he or she must sign the application form which includes a repayment requirement. That statement says that if the claimant (or person signing the application) receives a victim compensation award and also receives payment as a result of the same criminal incident from another source, he or she must repay any amount received from the Crimes Compensation Trust Fund. The statutory basis for this requirement is §960.16, F.S. This year's subrogation activities included:

- 141 cases settled
- \$531,158 recovered

### Information and Referral

---

The division maintains a toll-free information and referral (I & R) service that provides access to crime victims regarding victim compensation, the criminal appeals process, and local victim services.
