January 6, 2010

Dear Governor Crist, President Atwater, and Speaker Cretul:

It is my pleasure to present the 2008-2009 Annual Report for the Division of Victim Services and Criminal Justice Programs as required by Section 960.045(1)(c), Florida Statutes.

This annual report focuses on the Division's accomplishments in each program area. Stakeholders include victims, the court system, law enforcement agencies, adult and juvenile criminal justice agencies, insurance carriers, individual employers, victim advocates, treatment providers, crime prevention officers, school resource officers, crime stopper organizations, urban league affiliates, social service agencies, and the federal government.

Prior annual reports have gone to great lengths to provide substantial information regarding the various programs administered by the Division of Victim Services. In an effort to provide the information most often requested by members of the public and stakeholder organizations, this report goes to the heart of the matter and provides a detailed statistical report of the activities of the Division. Program descriptions, claim forms, and class schedules and registration forms are available online at the Attorney General's official website.

The Division is committed to increasing its effectiveness and efficiency in serving the citizens of the state of Florida.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Gaaney", with a long horizontal flourish extending to the right.

Emery A. Gaaney
Director
