

ATTORNEY GENERAL'S

Super Senior Sleuth

JEAN SPORRIER

- Jean has been a volunteer at Seniors vs. Crime in the Port St. Lucie office since May 2018.
- After the office manager suddenly resigned due to health issues, Jean did not hesitate to step in to oversee operations, including moving the office to a new location, all while continuing to work cases.
- Jean goes far beyond the expectations of a volunteer dedicating however many hours necessary to ensure complaints are being addressed.
- Jean does all of this in addition to running her business as a sports official.
