Attorney General Moody's Week in Review - April 12, 2024

This week, I addressed local and state law enforcement officials during the annual Law Enforcement Torch Run at the Florida Capitol ahead of the 2024 Special Olympics Florida State Summer Games.

Every year, dating back to 1984, the Torch Run brings out city, county, state and federal law enforcement officers, correctional officers and support staff out to help carry the “Flame of Hope” through an intrastate relay to the annual Special Olympics Florida Games in Orlando.

I'm grateful to see so many of our wonderful law enforcement officers in Leon County participating in this event highlighting their strong commitment to serving others.

Since 1972, more than 45,000 Special Olympics Florida volunteers, coaches and sponsors have provided sports training and competition for athletes with intellectual

disabilities.

We are so inspired by all our Special Olympics athletes for their courage and willpower. In the words of Special Olympics Founder Eunice Kennedy Shriver, "God bless you in these games, and in the greatness of your lives."

Bringing our communities together and supporting one another through events like these, help us build a Stronger, Safer Florida.

A handwritten signature in black ink, appearing to read "Shriver". The signature is written in a cursive, flowing style with a large initial letter.
