Florida Attorney General's Office News Release

24 Arrested in Drug Related Enterprise

TALLAHASSEE, Fla.—Attorney General Ashley Moody is announcing the arrests of 24 members of a drug-related enterprise. The cooperative efforts of the groups investigating found, through numerous search warrants and undercover purchases, multiple substances of fentanyl and cocaine were identified at the locations. Eliminating these illicit drugs from our streets will save thousands of lives since just one pill of fentanyl can kill.

Attorney General Ashley Moody said, “This drug trafficking organization sold illicit pills, power and capsules containing the deadly synthetic opioid fentanyl. They marketed the drugs as heroin and it is highly likely that users were clueless about what they were buying. Just one pill laced with fentanyl can kill, and I have no doubt that this joint effort involving DEA, Palm Beach Sheriff’s Office and my Statewide Prosecutors will save lives as we take these drugs off our streets and throw the poison peddlers behind bars.”

The investigation began in November of 2019 when Palm Beach County Sheriff’s Office began investigating drug sales in the areas of unincorporated Jupiter known as Kennedy Estates and Limestone Creek. The investigation revealed that a drug related enterprise was trafficking fentanyl and cocaine throughout Palm Beach and Martin Counties.

In January, PBSO agents, with the assistance of the Martin County Sheriff’s Office, Drug Enforcement Administration, Jupiter Police Department, Homeland Security Investigations and the Attorney General Moody’s Office of Statewide Prosecution continued the investigation in an

undercover capacity and witnessed over 2000 separate illicit drug deals, intercepting over 10,000 drug related calls and texts.

The cooperative investigation resulted in the issuance of warrants for 24 subjects reference a Racketeer Influenced and Corrupt Organization prosecution for operating or conspiracy to operate an illegal enterprise related to the distribution of fentanyl and cocaine, and another 21 warrants for suspects in reference to trafficking in fentanyl, conspiracy to traffic fentanyl and conspiracy to sell fentanyl or cocaine. By the conclusion of the investigation, the number of suspects and warrants is expected to increase.
