Florida Attorney General's Office News Release

Unlicensed Dentist Arrested for Medicaid Fraud

TALLAHASSEE, Fla.—Attorney General Ashley Moody's Medicaid Fraud Control Unit and the Miami-Dade Police Department today arrested a dental hygienist illegally practicing as an unlicensed dentist for committing Medicaid fraud. Julio Suarez allegedly performed unlicensed and unauthorized procedures on patients, defrauding the Medicaid program out of more than \$8,000.

Attorney General Ashley Moody said, "It is utterly despicable that a health care professional would knowingly deceive trusting patients about their licenses and credentials in order to practice unlawful dental procedures. To further use that deception to scam the Medicaid program out of thousands of taxpayer dollars is inexcusable and criminal. I am proud of my Medicaid Fraud Control Unit for investigating these crimes and putting an end to this illegal dental scheme."

For more than two years, Suarez allegedly worked as an unlicensed dentist for Art Dental Services, Inc. While employed at Art Dental, Suarez knowingly performed unlicensed dental services and procedures on unwitting and unsuspecting patients. Suarez then billed the unlicensed services to the Medicaid program. By performing and billing these unlicensed dental procedures, Suarez fraudulently caused the Medicaid program to pay more than \$8,000.
