ICYMI: Florida Supreme Court Announcement

AG Ashley Moody: I am especially proud to be a part of the group making this announcement this morning because I share so much in common with our nominee. We both went to Florida colleges, we both served as judges, we both served as lawyers with statewide law firms, and we both served as federal prosecutors. Both of us have a reverence, an awe of our judicial system, and understand what it means to take chaos and reduce it to order—that the judicial system is an anchor in what otherwise seems unrest. So I am proud to be here this morning.
