Dear Chief Justice Polston and Justices:

In accordance with the provisions of Article IV, section 10, Florida Constitution, and section 16.061, Florida Statutes, it is the responsibility of the Attorney General to petition this Honorable Court for a written opinion as to the validity of an initiative petition circulated pursuant to Article XI, section 3, Florida Constitution.

On April 15, 2013, this office received from the Secretary of State an initiative petition seeking to amend the Florida Constitution. The proposed amendment would dedicate funds for the Land Acquisition Trust Fund to acquire and restore Florida conservation and recreation lands.

The full text of the proposed amendment, which adds a new section 28 to Article X of the Florida Constitution, states:

"SECTION 28. Land Acquisition Trust Fund.--

- a) Effective on July 1 of the year following passage of this amendment by the voters, and for a period of 20 years after that effective date, the Land Acquisition Trust Fund shall receive no less than 33 percent of net revenues derived from the existing excise tax on documents, as defined in the statutes in effect on January 1, 2012, as amended from time to time, or any successor or replacement tax, after the Department of Revenue first deducts a service charge to pay the costs of the collection and enforcement of the excise tax on documents.
- b) Funds in the Land Acquisition Trust Fund shall be expended only for the following purposes:
 - 1) As provided by law, to finance or refinance: the acquisition and improvement of land, water areas, and related property interests, including conservation easements, and resources for conservation lands including wetlands, forests, and fish and wildlife habitat; wildlife management areas; lands that protect water resources and drinking water sources, including lands protecting the water quality and quantity of rivers, lakes, streams, springsheds, and lands providing recharge for groundwater and aquifer systems; lands in the Everglades Agricultural Area and the Everglades Protection Area, as defined in Article II, Section 7(b); beaches and shores; outdoor recreation lands, including recreational trails, parks, and urban open space; rural landscapes; working farms and ranches; historic or geologic sites; together with management, restoration of natural systems, and the enhancement of public access or recreational enjoyment of conservation lands.
 - 2) To pay the debt service on bonds issued pursuant to Article VII, Section 11(e).
 - c) The moneys deposited into the Land Acquisition Trust Fund, as defined by the statutes in

effect on January 1, 2012, shall not be or become commingled with the General Revenue Fund of the state."

The ballot title for the proposed amendment is "Water and Land Conservation - Dedicates funds to acquire and restore Florida conservation and recreation lands." The ballot summary for the proposed amendment states:
